

My engineering expertise protects U.S. embassies from security threats abroad.

I am diplomacy. I am America.

Chimere, Foreign Service, Security Engineering Officer

U.S. Department of State Careers in the Foreign Service Networking Event Thursday, September 17, 2015 • 5:30PM – 8:00PM

Networking begins at 5:30PM followed directly by the presentation at 6:30PM

The U.S. Department of State is dedicated to protecting and strengthening America's interests abroad and right here at home. So whether advocating for women's rights throughout the world, explaining American foreign policy to citizens of other countries, or protecting U.S. embassies from security threats, you can make a difference with the U.S. Department of State.

Attend our next Career Networking Event in Cincinnati, OH. There, you'll have the opportunity to meet experienced Foreign Service Officers, Foreign Service Specialists, and Civil Service professionals and explore career options with the U.S. Department of State. They will explain and discuss the important work you could be doing to represent our country in the U.S. or while living and working abroad. Join us at:

**Renaissance Cincinnati Downtown
Burnham Hall
36 East Fourth Street
Cincinnati, OH 45202**

**RSVPs are required. Seating is limited.
To RSVP directly, [click here](#).**

Light refreshments will be served.

If you cannot attend, please visit careers.state.gov for more information on careers with the U.S. Department of State.
